

Be Connected for Success

Hi <Firstname> How's it going? <Firstname>, I know that you're really busy with all that you have going on in your life and I almost didn't call you because of your schedule. But I really need your help. We have been looking for a way to <get out of debt, pay off the car, stay home with the kids, increase our income, etc.> and I believe we have found a way.

But before I begin my national advertising campaign I was hoping I could gain some experience first by practicing with you. Do you think you could help me out? Can we talk tomorrow at <pick a time?> Great, I really appreciate your help, I'd much rather get some experience with someone I know before running ads.
