

## ***Script for people paralyzed by fear afraid to take the first step***

You know what? You need to take drastic, dramatic measures because we live in drastic, dramatic times. Success doesn't happen on cruise control.

We're looking for people who are going to give it their best shot, and step up to make 2009 the best and most life-changing year of their lives.

People who aren't going to spend another year worrying about \_\_\_\_, afraid of \_\_\_\_!

We have a track record of developing multiple six-figure income earners and we're looking for people who are teachable, looking to improve, grow and make things happen!

We've got all the tools in place to make this happen! Go check out the website (again)!
