

Mary, if I could show you a way to generate an extra five hundred to a thousand dollars a week... part time, working from home...without jeopardizing anything you currently do...would you be open to review some information on a new project I've discovered?

Great, do you have a paper and pencil handy? Write this down.

www.LMSuccess.com Have you ever done any Networking before?

If they say yes.

Great, you need to look at this!!

If they say no.

Do you know anyone who has? Let answer.

This is really exciting! I've been looking for this all along! You need to take a look at this!!

What's it about? Just go to the website and take a look. Can you get on it right now? Let answer. I'll give you a call back in about 15 minutes. Would that work out for you?
